Potential Patients….
We NEED you to SHARE YOUR STORY and *HELP US HELP YOU!*

As away to raise money and awareness for My Hope Chest and our mission to provide FREE breast reconstruction, we would like to include your picture on our website and marketing materials for our cause. We will be using your age, basic information (mother of two) and picture so potential donors and surgeons can put an ***actual face*** to this need! We thank you for supporting our work and our efforts to provide reconstruction for you and others and helping survivors complete this ***"final step in breast cancer treatment".***

By signing this release you authorize My Hope Chest to use your picture and basic info for marketing purposes. My Hope Chest will NEVER share your personal info with any third parties ever!

Sincerely,

Alisa Savoretti
Survivor, Founder and Executive Director

I authorize My Hope Chest to use my picture and story of need to help raise money and awareness for all breast cancer survivors needing reconstruction.
